

Gordon Rumford Ministries

A Ministry of Hope to the Hurting

May 2011

In response to the support you have given us in prayer, word and financial commitment we would like to share a "snapshot" of our activities over the past months and some new ministries for 2011.

Preaching:

I continue to preach on Sundays mostly in Southern Ontario and this years topics ranged from suffering (Job), to the compassion of our Lord and the prayer life of Jesus. The Bible continues to be more precious to me as the years unfold and I feel privileged to share its wisdom with others each week from the pulpit.

Missions:

During the month of May 2010, I was privileged to preach and teach in Malawi (There are lots of pictures along with a diary of events from the 2010 trip on our website: rumfordministries.org)

Electronic Communication!

Using email has extended my ministry as I keep in touch with dozens of people in this way in between visits. Technology can be used to great advantage in Christian ministry and I intend to exploit it to the full!

New Features of the Website:

The Rumford Ministries Website now includes Daily Devotionals, and a weekly Bible Study. Please check them out and if you like, you can subscribe to any of these features and have them delivered directly to your own e-mail inbox. Susan

This year Susan hopes to complete her MA in Psychotherapy & Theology and already senses the benefits for her clients from her studies. With this degree she be able to pursue registration with the new board for psychotherapists and counselors that the provincial government is setting up in Ontario.
